28th Ljudevit Jurak International Symposium on Comparative Pathology

10th and 11th June, 2022
ZAGREB, Croatia, Hotel Academia
Dear colleagues,

The Organizing Committee cordially invites you to Zagreb to take part in the 28th Ljudevit Jurak International Symposium on Comparative Pathology. This symposium summons international collaboration and involves an array of professionals within the field of pathology. What separates and defines this symposium is collaboration with veterinary pathologists and the comparison of pathologic changes in human and veterinary medicine. With this symposium we honor Professor Ljudevit Jurak, who founded the first pathology department in Croatia, in Sestre milosrdnice University Hospital Center. Professor Ljudevit Jurak contributed greatly to veterinary and human pathology as well as forensic medicine, and represents a historical and eminent figure in the field of pathology both in Croatia and worldwide (https://www.kbcsm.hr/jurak/category/simpoziji/).

All pathologists dealing with human and veterinary pathology as well as forensic pathologists are invited to participate in this multidisciplinary meeting and engage in a variety of discussions, social gathering and enjoyment.

POSTER SESSION: We also invite all interested colleagues to send their abstracts about the main topics, as well as other surgical pathology and forensic topics, for the poster presentation.
**INSTRUCTIONS FOR PARTICIPANTS**

**Main topics:**
- Rare tumors
- COVID-19 pathology

**Date and venue:**
10th and 11th June, 2022,
Hotel Academia, Tkalčićeva 88, Zagreb

If epidemiologic measures do not permit a live meeting, it will be held on-line. In this case all registered participants will be notified on time and will receive a link to the meeting to the e-mail address used at registration.

**Official language:** English

**Registration fee:**
This year Symposium is free of charge

**Pre-registration deadline:**
16th May, 2022.

For the 28th Ljudevit Jurak International Symposium on Comparative Pathology you can register online at [https://contres.hr/jurak2022/](https://contres.hr/jurak2022/). On-site registration will also be available but because of the epidemiological situation and scientific/social gathering, pre-registration is highly preferable.

---

**Poster presentations:**

Posters will be displayed in electronic version on-site.

Instructions for e-posters and abstracts submission:
- **abstracts** should be submitted online until 16th May, 2022. Abstracts have to include title, authors' name and institutions and will be printed in the abstract book. Abstract form is included in the Registration form at the symposium website [https://contres.hr/jurak2022/](https://contres.hr/jurak2022/).
- **e-poster** should be prepared in PowerPoint and sent online by June 5th, 2022.
- the e-poster should contain only one slide in landscape format
- font size should not be less than 10pt
- the e-poster must not contain audio/video content
- after the scientific committee accepts your abstract, send the poster according to the default parameters to abstract@contres.hr

**Social program:**

For registered participants there will be coffee breaks, lunch and dinner on Friday and interesting day trip to Vuglec Breg in Zagorje with surprise lectures on Saturday.

All Croatian participants will receive official points from the Croatian Medical Chamber and Croatian Veterinary Chamber.
